Frequently Asked Questions

- **What is a proof of time?** (Continuation)

Teams holding internal competitions such as club championships or dual meets should publish the meet entry criteria and the official results on their website so that they are publicly available. Results should be recorded with individual timekeepers on each lane and in the presence of at least one qualified official. Preferably results will be recorded in meet management software such as Hy-Tek Meet Manager.

Please take note that proof of time should not be older than 12 months.

Please take note that proof of time should be sent along with the entry file/form.

- **What is the timing system used?**

A semi-automatic Omega timing system is being used in our competitions run at the school venue. Backup buttons are used as the primary timing.

For competitions run at Hamdan Sports Complex, an automatic Omega timing system is being used. This system uses touchpads as the primary timing and backup buttons as secondary timing.

Both timing systems use stopwatch time as backup times.

Please take note, we don't use video as a reference in getting the times.

- **Can we use entry times in short course for long course competition and vice versa?**

If entering a long course competition, type S for a Short Course time after the entry time. If entering a short course competition, type L for a Long Course time after the entry time.

- **What if the entry times are not faster than the consideration/qualifying time?**

In these cases, the swimmer is not at the right level of competition. Hamilton Aquatics have four levels of competition, and these competitions have consideration times, qualifying times and cut-off times. Please check the time standards in the entry pack.

- **Which competition that accept entries with no time?**

MSC Novice Series and Ramadan Race Series are the only competitions that we can accept entries in no time.

- **How would we know if our entries have been accepted or rejected?**

After the closing date, we send the entry report confirming for accepted entries and exception report for the rejected entries. Accepted entries are in the draft programme and final programme as well which are posted in the [Hamilton Aquatics Competitions Page](http://www.hamiltonaquatics.ae) at www.hamiltonaquatics.ae.

Frequently Asked Questions

- **How the heats are sorted?**

Heats are sorted based on slowest to fastest entry time regardless of age. There will be some heats that have mixed age-groups racing.

The results is based on the age groups and not based on the heats.

- **Why can't we give out a printed meet programme?**

Due to a very short time to print the programmes after the entries withdrawals, we only provide printed meet programme to the officials, events staff, and the coaches (except for Middle East Open & Junior Championships but depending on the type of spectator's pass). Spectators can view the meet programme on Meet Mobile application (this is not a free app).

- **How are the results processed?**

Results are processed based on the age groups of the event. Results are not based on the heats. Exhibition swimmers and swimmers that have been disqualified are not included in the ranking.

- **When, Where and How we publish results?**

- **Printed Results**

As soon as the event is done, we will print the results as soon as possible and post it in the swimmers' area and spectators' area.

- **Meet Mobile Application**

*Results can be accessed through the Meet Mobile app. The Meet Mobile app is free to download from the Apple App Store (iPhone Apps) and Google Play and will allow access to heat sheets and results throughout the weekend. **Please note that this is not a free app.***

- **Live Results Page**

Live results are available on the Hamilton Aquatics website at www.hamiltonaquatics.ae/live-results. Results will be updated at the end of each event. Results can be accessed via your mobile phone or tablet using mobile data. Hamilton Aquatics will not provide public Wi-Fi access.

- **How can we check the disqualification?**

Disqualifications are included in the results posted around the venue. You can check the details of the disqualification by checking the full results found on [Hamilton Aquatics Competitions Results Archive](#) 24 to 48 hours after the competition.

- **How do we protest for the results and disqualification?**

Protests must be made in writing by the club coach to the Competition Director within 30 minutes of the conclusion of the event. Parents must speak with club coach first regarding the problem.

- **What is a speeding ticket? (Hamilton Aquatics First Series Only)**

Swimmers who swim faster than a speed limit will receive a speeding ticket for their achievement in Hamilton Aquatics First Series. A competitor who swims faster than a speed limit time will not be eligible for medals or other awards in that event. By swimming faster than a speed limit time, it is an indication that a competitor should be competing in a higher-level competition.
